To our fellow students:

In these times in which we live, we have forgotten that life holds in store for us many things to cherish and to enjoy. It is upon this premise that we, the editors, have attempted to mold this book. We ask only that you take time out from this hectic life to relax a moment and enjoy. This book is for you, the students of Shelby High. Make of it what you wish.

Sincerely,

Brian M. Strain

I shall pass
through this world but once.
Any good therefore,
that **I** can do, or any kindness
that **I** can show to
any human being, let me do
it now. **L**et me not defer
or neglect it, for **I** shall not
pass this way again.

Barry D. Brown

take time for ten things

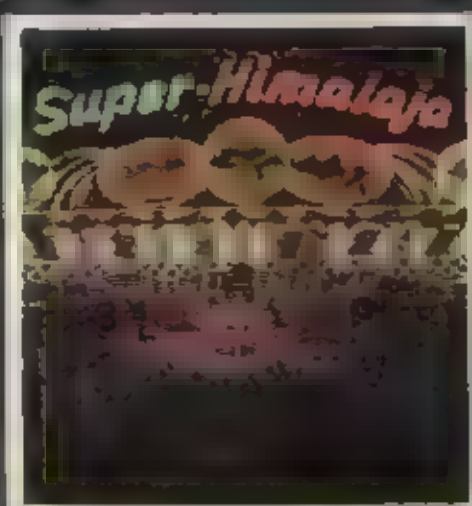

- 1—take time to read;
it is the foundation of knowledge.
- 2—take time to think;
it is the source of power.
- 3—take time to worship;
it is the highway of reverence and
washes the dust
of earth from your eyes.
- 4—take time to play;
it is the secret of youth.
- 5—take time for work;
it is the price of success.
- 6—take time to help and enjoy friends;
it is the source of happiness.
- 7—take time to love;
it is the one sacrament of life.
- 8—take time to dream;
it hitches the soul to the stars.
- 9—take time to laugh;
it is the singing that helps with
life's load.
- 10—take time to plan;
it is the secret of being able to
have time to take time for the
first nine things.

there is a time in every man's education when he arrives at the conviction that envy is ignorance; that imitation is suicide; that he must take himself for better or worse as his portion — the power which resides in him is new in nature, and none but he knows what that is which he can do, nor does he know until he has tried.

Emerson

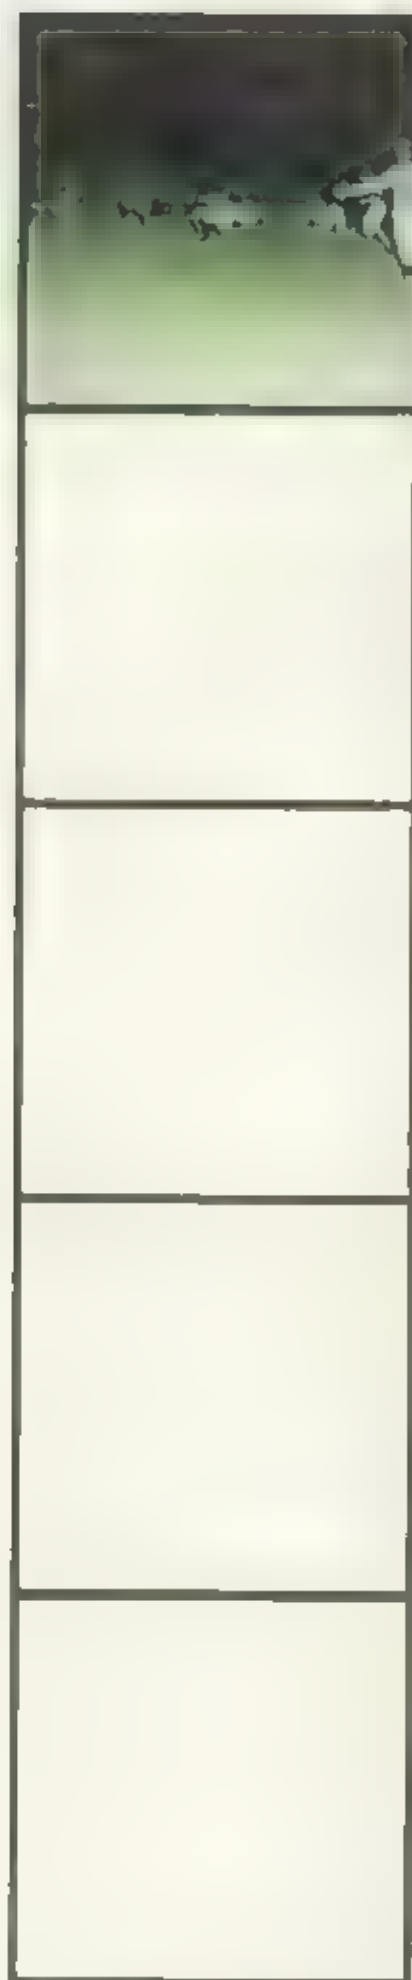

Bring tea for the tillerman
 steak for the sun,
 wine for the woman
 who made the rain come,
 seagulls sing your heart away
 'cause while sinners sin
 the children play
 oh lord, how they play and play,
 for that happy day,
 for that happy day.

The Golden Lions again waged a successful gridiron campaign finishing 7-2-1. Although failing to reach the playoffs, they played good hardnosed football and continued to improve throughout the season. Tough defense and a powerful ground attack typified the team's play. Gerald Allen was selected head coach of this year's N. C. State Shrine Bowl team and Larry Eberheart was chosen as a player. With many lettermen returning, next year's team should be a good one.

Thousands turn out for J. V. games!

The J. V. football team provides valuable experiences for boys who are not yet ready to compete on the varsity level. In an abbreviated season, this year's squad finished with a record of two wins and two losses. Coach Kirkpatrick's team lacked depth but displayed plenty of spirit.

J. V.'s catch on

The cross-country team combined hard work with good depth to "run away" with its second consecutive association championship. Seniors Danny Spake and Zack Murrell formed a strong one-two punch for the undefeated harriers. Dick Hamrick, an avid runner himself, coached the team to an awesome season

This year wrestling was introduced at Shelby High. The sport requires endurance, body control, quickness, and discipline. Bob Reynolds gave up his position of assistant basketball coach to coach this team. The interested young men are eager and should prove to be successful.

With only one starter returning from last year's conference championship team, the Lions should be inexperienced but strong. The Lions proved that they will pose a threat to retain their SWC crown by narrowly losing to powerful East Mecklenburg by three points. All-State candidate James McKissick broke Shelby High's scoring record with 37 points.

Getters? in Shelby?

The Shelby High Golf team wrapped up its third straight W.N.C.H.S.A.A. title in '73 by trouncing Morganton by thirty strokes. The Golden Lions placed five members in the top ten led by three time medalist Mike Bright. Shelby should be strong again this year with Seniors Scott Spradley, Steve Hamrick, Rick Bowles, Bob Burrus, and Guy Brooks returning. Coach Dick McCleney and his men hope to make it "Four in '74."

Nineteen and seventy-three proved to be an exciting but frustrating year for the Lion sandbaggers. They had an excellent record of thirteen wins and five losses but they lost the conference race to the team they had beaten twice, South Point. Chris Horne was named the most outstanding player. Some of the players, however, played for the highly successful American Legion team which finished second in the state. Gene Kirkpatrick and Roger McKee served as coaches to these fine young men.

The tennis teams continued their winning traditions with the girls sweeping to the association championship and the boys repeating as the bi-conference champions. Lee Young, girls' Player of the Year, paced the lady lions by winning the association singles championship. The boys, led by two-time Player of the Year, Chuck Cloninger, extended their conference play winning streak to thirty-one matches. Arthur Moss was voted Coach of the Year for both the boys' and girls' netters.

The nineteen seventy-three track team decided before the season to win not only the Conference and Bi-Conference titles but the Association title as well. Highly successful Coach Gerald Allen sent the wing-feet through an undefeated season and climaxed the year with a literal run-away in the final meet.

student life

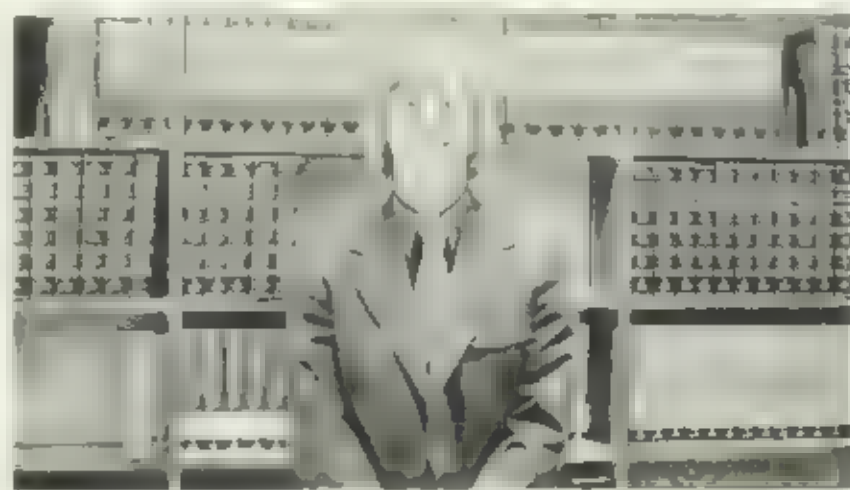

David Eaker will represent Shelby High as this year's National Merit Semi-Finalist. David was selected on the basis of his score on the National Merit Scholarship Qualifying Test. National Merit Semifinalists constitute less than one per cent of the graduating high school seniors in the United States. On the basis of his score on the November Scholastic Aptitude Test, David may be named as a finalist in the National Merit Scholarship competition.

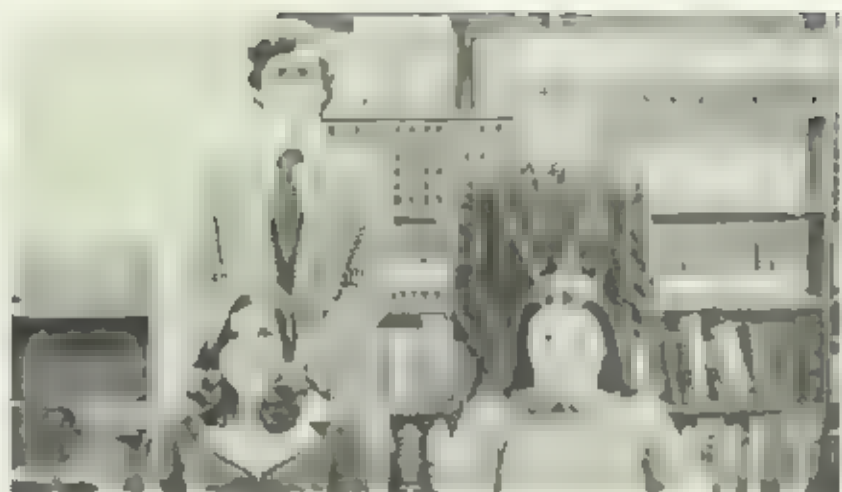

From the class of 1974, Bob Burrus, David Eaker, Andy McMurphy, Zack Murrell, Brian Strain, and Lin Thompson were nominated to represent Shelby High for competition of the John Motley Morehead Scholarship. These seniors were chosen on the basis of high scholarship, personality, leadership, and well-rounded interests. From these six — David, Andy, and Lin were selected for further competition.

These students, chosen on the basis of their leadership capabilities and citizenship, attended student government sessions during the summer. Bob Burrus, David Eaker, Zack Murrell, and Brian Strain attended Boys' State. Vista Jones was selected to attend Girls' State. The delegates participated in forming a model government on the state level. The results of each session were sent to the state governor.

This year two students represented Shelby High School at the Governor's School of North Carolina. These two students are Grace Morris and Margaret Hobbs. Margaret was chosen to study in her special area of music. Grace was chosen to study with a concentration on drama. Both students received much more than knowledge. They were provided with the experience of learning about people and forming new friendships.

Each year at the awards ceremony, the Daughters of the American Revolution honor outstanding students with a gold medal. Brian Strain and Vista Jones are this year's winners of the coveted citizenship award. Brian and Vista were chosen on the basis of their outstanding scholarship, leadership, and citizenship. They will represent Shelby High School in the district competition and may continue as the SHS representatives in state competition.

Last summer, four students from Shelby High attended the summer Science Training Program for Mathematics at Western Carolina University. This program which honors math students on past performance and potential, is sponsored by the National Science Foundation. Thirty students were selected to attend the seven week session and study The Calculus with its derivations. Shelby High took pride in sending Debbie Crocker, Jody Kendrick, Lu Litton, and Andy McMurry to the session.

Each year the Woodmen of the World and the Daughters of the American Revolution present awards to students who are outstanding in United States history. To the junior boy who has maintained the highest scholastic average in United States history, the Woodmen of the World present a medal; the Daughters of the American Revolution do the same for the junior girl who has kept the highest scholastic average in the course. In 1973 the recipients of the awards were Steve Bettis and Grace Morris.

Student government is an important function in any school. Shelby High is proud and privileged to have such a dedicated student council. Composed of student-elected officers and members, this group works hard to create a cooperative spirit between the faculty and the students. The student council sponsors the successful "Tricycle 500" as well as the Homecoming with all its pageantry.

Each Friday SHS students come to life as they are led by twelve enthusiastic junior and senior cheerleaders. No matter what the conditions, they somehow find the spirit and pep to cheer the Golden Lions on to victory. The varsity cheerleaders not only lead students at sports events, they also make posters, give pep talks, and provide players with surprising little gifts each week.

Each Monday night SHS students assemble in the student lounge to talk, sing, and learn about God. Songs are led by David Ellis. Guitars are popular. Many students, through club meetings and camps, have come closer to each other and to God. Shelby High has Mr. Ron Austell to thank for bringing Young Life to them.

Before school each morning during the football season, one can hear the Shelby High band rehearsing the halftime show to be given at the next football game. After the marching season in which the band performs at all football games and the parades for Homecoming, the Shrine Bowl, and Christmas, the band presents concerts for the public. The year is climaxed by the band's participation in the state contest at Greensboro. Mr. Homer Haworth and Mr. Gene Ellis are the two dedicated men in charge of the band.

The well-qualified administration seeks to provide the students of Shelby High School with a well-run plant, proper student guidance, and a varied curriculum.

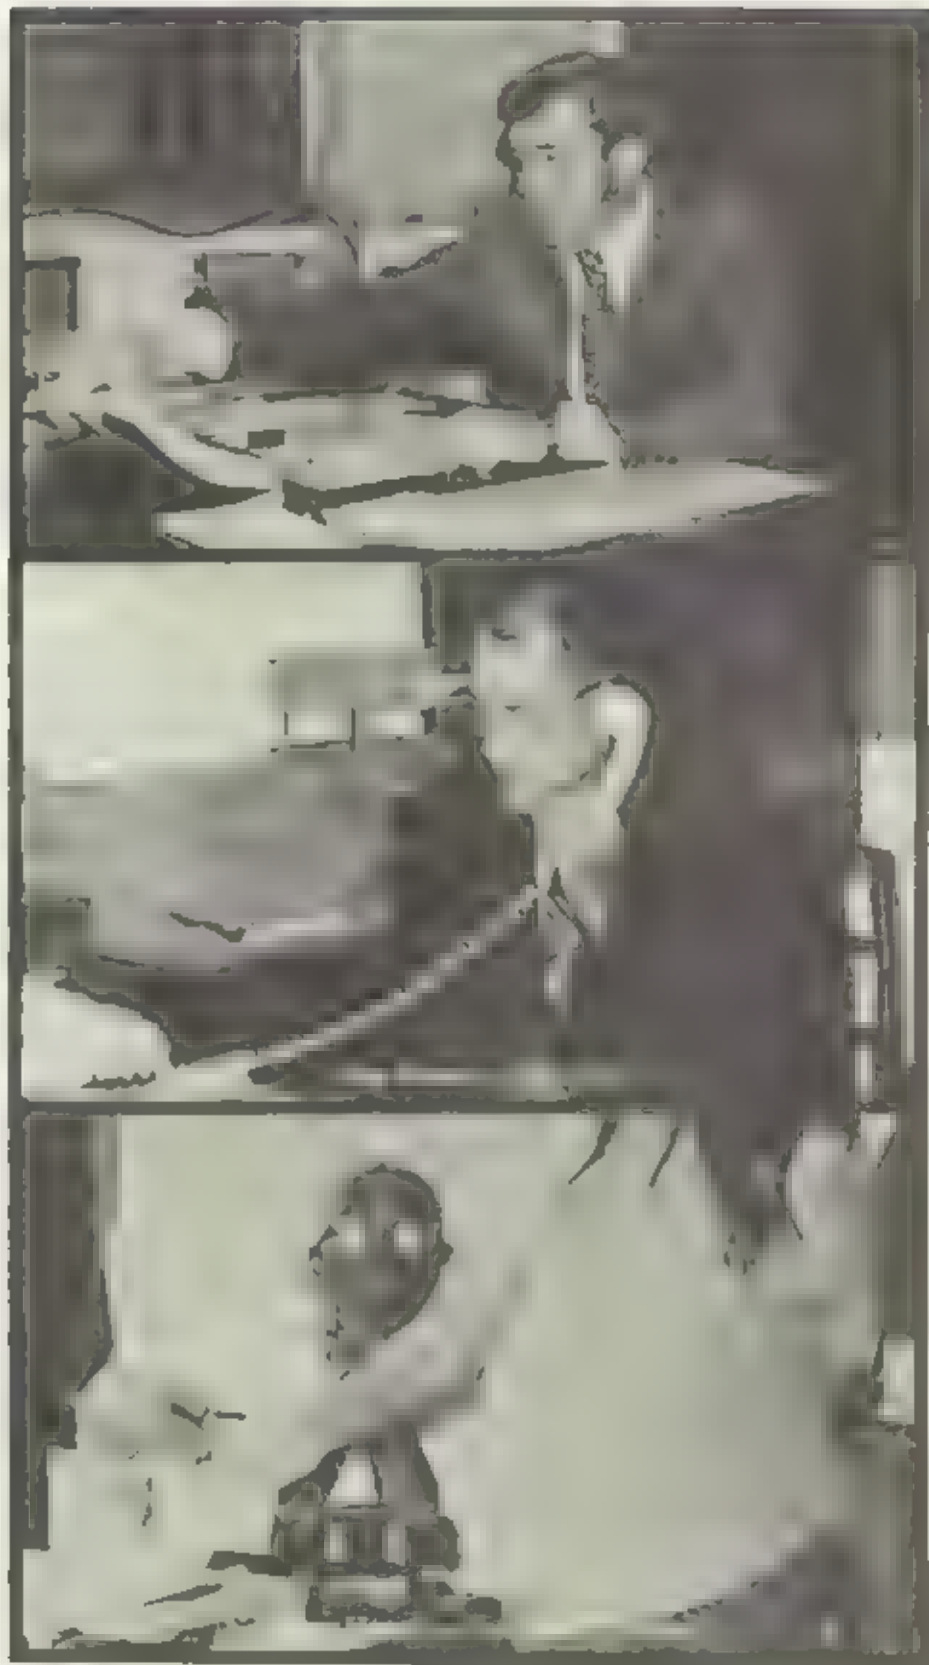

Working to make Shelby High run smoothly is no easy job with the many levels of student activity and academic courses. The Shelby Board; the Superintendent of City Schools, Mr. Malcolm Brown; the Supervisor of Education, Mr. Boyce Morrison; and the Principal of Shelby High, Mr. Dan Moore, do a superb job

faculty

The word which best describes the teachers at Shelby High is "involved." Each faculty member devotes many hours daily to the difficult jobs of teaching high school students. This does not include the record keeping and co-curricular activities plus the extra hours of preparation after school that enable him to present the material in the best possible way. The coaches at Shelby High spend many hours working to improve the students athletically as well as academically.

counselors

The guidance program includes a group of services designed to give systematic aid to all pupils in recognizing and solving the various types of problems they must meet — educational, vocational, personal, social, moral, physical, and civic. Guidance activities are organized into a definite program in which each staff member is a responsible participant. The efficiency of the Guidance Department is best exemplified by the manner in which it handles the scheduling of the students. The department is also equipped with a health room.

Lunchroom Staff

Aside from popular opinion, the lunchroom provides a relaxing and appetizing atmosphere in which to eat. The lunches are prepared by the qualified personnel, then served with the aid of some student helpers. To make lunch even more enjoyable, a juke box is constantly playing.

care-takers

Teaching students is said to be a difficult job, but cleaning up after them, as the custodians have found out, has proved to be even harder. No one can deny that there is at least one call over the intercom per day for one of the men to pull out the bleachers in the gym or produce the stadium key.

10—take time to plan; it is the
secret of being able to have time
to take time for the first nine things.

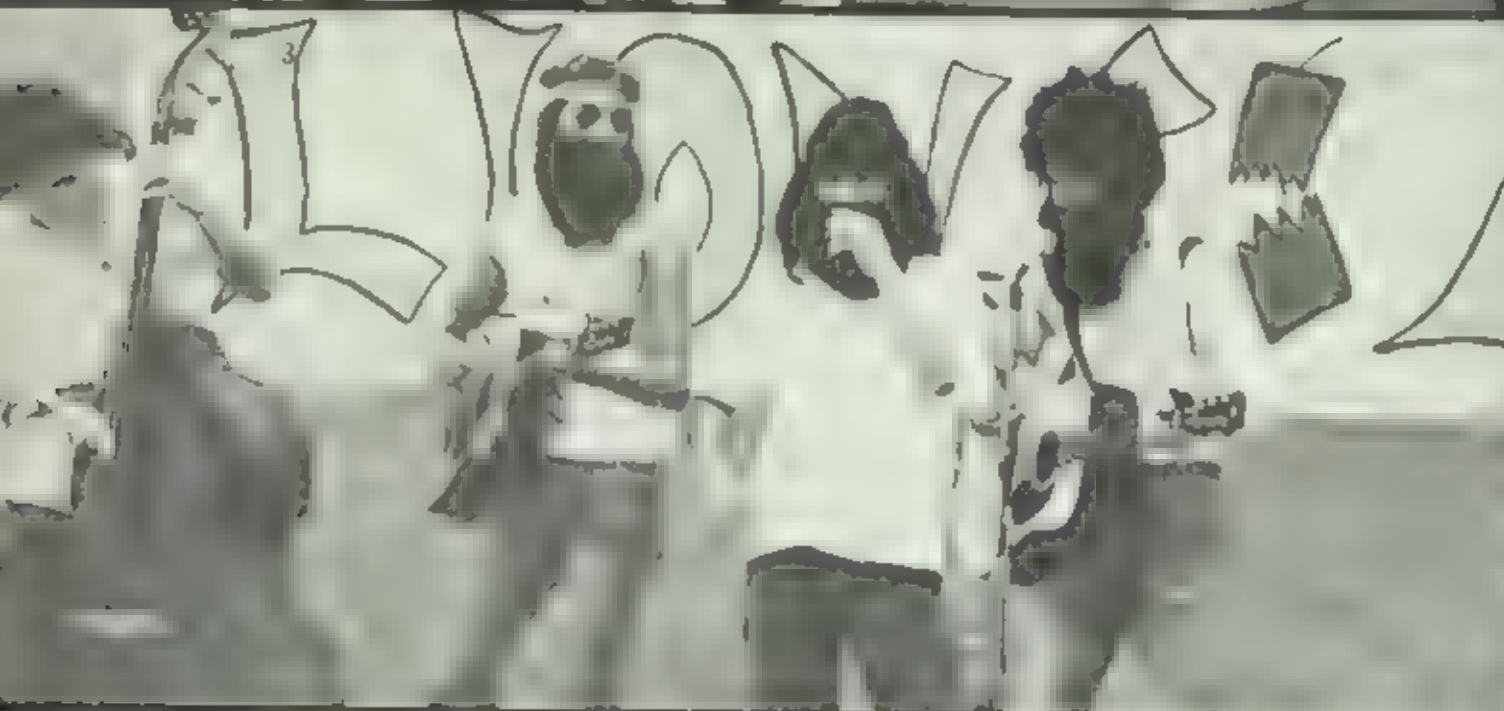

each man has an
aptitude born
with him . . . he is
to dare to do
what he can do
best . . . to do
otherwise is to
neutralize all
those extraordi-
nary talents dis-
tributed among men
—Emerson

if man is wise,
if he learns to
avoid war, and to
live on this
planet in peace,
there is no end
to what science
can do to make
life better and
worth living
and man's great-
est study may be
the art of under-
standing

Take her in the green house

For the girls

a memorial for Pam Ballenger

The Lord is my shepherd;
I shall not want.
He maketh me to lie
down in green pastures:
He leadeth me
beside the still waters;
He restoreth my soul
He leadeth me in the
paths of righteousness
For His name's sake.
Yea, though I walk
through the valley
of the shadows of death,
I will fear no evil;
For thou art with me;
Thy rod and thy staff,
They comfort me.
Thou preparest a table
before me in the
presence of mine enemies;
Thou anointest my head
with oil;
My cup runneth over.
Surely goodness
and mercy shall
follow me all the days
of my life;
And I will dwell in
the house of the Lord
forever.

Pam Ballenger died in the summer before her senior year; but the name Pam Ballenger lives. Her name lives in the true example of faith, hope, and courage that she displayed through the most trying times anyone could endure. Her name stands as one who never gave up. She kept striving for a normal life even though she no longer could attend school regularly. Death came — but to Pam even this was only another step in life. Pam Ballenger — a name in our history of a girl whose personal love and faith will live forever in the example for which her life stood.

DUKE POWER

Our new booklet may turn you off.

It tells how you can save some electricity. And a little bit of money.

By turning off appliances when they're not in use, for example.

The booklet is interesting and colorful. And free. Ask your

Duke Power office for a copy.

Or write to Public Relations Dept.,

Box 2178, Charlotte, N.C. 28201.

Debbie,

Seniors at last! It really doesn't seem possible. Although I haven't been in any of your classes, Home Room for 2 years was great. I wish you and Lee all the luck in the world. Hope you have a fantastic time at Kings. Thanks for being my friend.

Class of '74 Stephanie
Lynny Hornick

Debbie,

I've enjoyed being in C.O.S. and English with you this year. We've had some great times! I dread graduating because the future years will never be the same! Good luck in the future! Best wishes for you and Lee.

Pam

Blackwell

Debbie,

Well, we've made it.
I still don't believe it! But I
sure will be glad to get it over
with! It's really been great
knowing you the past 3 years.
I still remember all those
crazy times we had in P.E.
But I think our senior year
has been the best! I wish
you and Lee all the luck in
the world and I hope you have
a long and happy life (with
Lee of course!) Hope I see you
this summer. Love, Denise and
God bless you!

Love ya,
Denise Duffie

Debbie,

Remember last year, in B.E. I thought
you were a senior and I didn't make sense
enough to know the difference "You're
all sophomores." You are the kind of person
that makes me laugh. That is the kind
of person I admire. I hope you are still
going with that same old boy. Just
don't run off to Japan. You always
have that smile on your face and it
is always the same. A senior always
did have that special smile. Well
now that its time to part, always
remember that you're not a senior.
Stay sweet and cute.

FRIEND FOREVER,

Lynn McSwain

Debbie

Debbie,

I have been ~~in~~ Economics.
I'm glad someone else sticks it
out with me. I can't believe I'm
a senior and leaving. I wish you
all the luck coming to you.
Be good and remember me.

Your friend

Mary McSwain
Dr '74

Luck in the future and
Wishes. Love,
Mary McSwain

2. 11. 1914

I have been thinking a great deal lately about the future of the world. It seems to me that we are living in a very dangerous time. The world is full of war and strife, and it seems as if there is no end in sight. I feel that we must do something to save the world from this terrible fate. I think that the only way to do this is to unite all the people of the world and to fight for peace and justice. I believe that if we do this, we can save the world from the horrors of war and from the suffering of millions of people. I feel that it is our duty to do this, and I am determined to do it to the best of my ability.

Very truly yours,

Wm. Lloyd Garrison

Time should not be allowed to pass without yielding fruits in the form of something learned worthy of being known, some good principle cultivated, or some good habit strengthened . . . Time was the estate out of which the great workers, and all other workers, formed that rich treasury of thoughts and deeds which they have left to their successors.

Samuel Smiles
